

HEIRS OF RICHARD APPERSON.

MARCH 5, 1840.

Read, and laid on the table.

Mr. ELY, from the Committee on Revolutionary Claims, made the following

REPORT:

The Committee on Revolutionary Claims, to whom was referred the petition of the heirs of Captain Richard Apperson, report:

That it appears, from the revolutionary records on file in the office of the Third Auditor of the Treasury, that Richard Apperson was appointed a captain in the 6th regiment of the Virginia continental line on the 26th of September, 1777, and that he became a supernumerary officer on the 30th of September, 1778. Officers who became supernumerary at that period of the revolutionary war were not entitled to commutation, but they were entitled to one year's extra pay, which appears to have been received by Captain Apperson.

The committee, therefore, move the adoption of the following resolution:

That the prayer of the petitioners ought not to be granted.
